SUBJECT COLLECTIONS

Edited by Lee Ash

Want to know which libraries house book collections on antiques . . . corporation law . . . food preservation . . . genealogy? Just turn to the subject you're interested in, and find listed below it—in geographic order—the public, college, and special libraries that have collections on that subject.

Thoroughly revised to present all the latest available data, SUBJECT COLLECTIONS includes the following information: name of curator; size of collection; whether manuscripts, maps, etc., are included; funds available; whether catalogued—and, new to this edition—information on photocopying facilities and restrictions.

Price $17.00 net postpaid.
